

The image shows the front of a white IVECO truck, heavily tinted with a blue color. The truck's grille features the 'IVECO' logo in large white letters. To the right of the grille, the 'EUROCARGO' badge is visible. Below the grille, the '160-280' model designation is printed. The truck's headlights and bumper are also visible. The overall image has a clean, professional appearance with a consistent blue color scheme.
